

Savoring 25 years of Delicious !

To our Guests at Joseph Decuis :

Happy Birthday to us ! Over the past twenty-five years we have enjoyed meeting so many of our patrons, making new friends, and savoring many wonderful meals together. Thank you to all who have celebrated and dined with us over the past quarter century.

We firmly believe that fine dining is a timeless tradition for fostering strong relationships and for celebrating special occasions with family, friends, and business associates. We love that families come here to enjoy birthdays, holidays, anniversaries – and also their date nights and nights out.

Joseph Decuis was one of Indiana's first restaurants to embrace the farm to table movement. We believe that great food must be fresh, local, seasonal and sustainably farmed. We raise much of the food we serve at the restaurant and Emporium, including our prized 100% Wagyu beef, on our own farm 5 miles from the restaurant. This farm has become not only our passion but also our way of life.

Fine dining requires fine wines. Like a good marriage, the two go hand-in-hand and bring each other greater joy. Food and wine are harmonious and we strive to present the very best of both. We submit this wine list every year to Wine Spectator Magazine, the ultimate authority on wines, for their evaluation and awards program. Our restaurant opened in 2000 and since our first submission in 2001 we have been proud to have our wine list honored by Wine Spectator Magazine. We have the distinction to be one of only two restaurants in the state of Indiana to have earned the Best of Award of Excellence from them. Each year we continue to grow our list with with an eye on the varietals, regions and prices – for our guests to enjoy.

Thank you for dining here with us this evening. Cheers !
